### Membership Incentives & Discounts

The Huntington Jewish Center and the Early Childhood Center would very much like your family to consider making HJC your synagogue. We are so confident that you will be happy joining us that we are offering you a 70% discount on membership dues. The synagogue offers many unique opportunities that enrich the lives of our young families. We offer adult classes that can help you and your family strengthen your connection to your Jewish roots and heritage, synagogue functions with free babysitting services, and Tzedakah/Tikkun Olam programs that make a difference in the lives of others in the community. Our community is especially welcoming and warm to interfaith families, and we offer full participation in synagogue life to all members. Our relationship with interfaith families is described in detail on HJC's website: [www.hjcny.org/interfaith-families/](http://www.hjcny.org/interfaith-families/)

The Huntington Jewish Center is a place that truly promotes the spirituality, health and well being of our community and our congregants. Presently, we have young families who are incredibly active and invested in our community. Many of our young families have been involved in rotating Shabbat dinners, discussion groups, study groups and mentoring programs. They are also excited to be part of the HJC Theater and our social action programs. You can see many of the tangible benefits of membership on HJC's website: [www.hjcny.org/benefits-of-membership/](http://www.hjcny.org/benefits-of-membership/). Please have a conversation with one of our young family members to find out how you can become involved.

Rabbi Neil Kurshan, a graduate of Princeton, Harvard and the Jewish Theological Seminary, has been a prominent Rabbi in the Huntington Jewish community for many years, and he is the author of the book Raising Your Child to Be a Mensch. He is a wonderful resource for young families looking to raise well-rounded healthy children. Our young families have been raving about our new Cantor, Israel Gordan, who has brought a fresh, vibrant attitude and teaching/singing style to our congregation. Cantor Gordan is a graduate of Columbia University with a Masters in education and Cantorial degree from the Jewish Theological Seminary.

Our Early Childhood Center families who are members of the Huntington Jewish Center receive a significant reduction in Early Childhood Center tuition and synagogue dues. HJC's new and young member incentives offer up to a 70% discount from membership dues, which is designed to make it easy for your family to fully explore our community while you are here at the ECC. We are sure you will be happy with your experience.
