

## Sign up for HJC Sisterhood packages for your college student today!

HJC Sisterhood sends three packages to college students each school year. Typically, these include treats and items celebrating an important approaching holiday. Our past recipients have enjoyed these celebratory packages and we would love to include your son, daughter, or grandchild.

**To ensure your student receives their first package, please submit the form below by Tuesday, September 12, 2023.** If you miss this deadline, you can still submit the form for subsequent mailings. Please send your student's address for this year, even if it has not changed from last year. (Since students typically move from year to year, we do not keep past student addresses.) If you do not know your student's address at this time, just send their name so we can include them in our head count. If you have more than one student, please use a separate form for each.

Your donation to help offset the cost of the packages and mailings would be greatly appreciated. **If you would like to donate**, please make your check payable to "HJC Sisterhood" and write "College Packages" in the memo area.

We can only ship packages to US addresses, so please let us know if your student is planning a semester abroad this school year. We will, of course, include them for their home semester. If you would like to ship a package to your student overseas, we will happily prepare it for you to pick up from the HJC Office.

Please print this form and return it to the HJC Office (510 Park Avenue, Huntington, NY, 11743) by **September 12th** and mark your envelope "College Packages". For any questions, please contact Patricia Schoeffler at (631) 423-4866 or [pcscot@gmail.com](mailto:pcscot@gmail.com).

**Please send HJC Sisterhood holiday packages to my college student:**

Student's Name:

Student Email:

College Address:
